

Friends of Meaford Library Summer Concerts 2022

Concert #7 by Dave Hawkins on Sunday, 07 August 2022

This year, The Friends of Meaford Library are pleased to introduce Dave Hawkins who is a talented and passionate songwriter, and gifted at the art of song sharing as well. Dave has decades of entertaining experience but now spends his time writing and performing his original acoustic music. Centred in Owen Sound, Dave Hawkins performs in venues throughout Grey Bruce counties and beyond. He sings with a smooth, velvety voice; pure joy dancing in his eyes as he shares his songs; newly penned yet timeless in feel, melodic and sweet. One writer said of Dave's talent, "When he sings I love to listen and get carried away and I also get drawn in to how much Dave Hawkins loves singing. He's in the moment and he brings me there with him." For a taste of his work please visit <https://youtu.be/7kCsliazFjU>
