

The time has come to pick a few books to save
until the wind grows cold and the skies turn grey.

Snow falls and windows frost.

A comfy chair, a blanket on your lap.

Sigh a sigh of contentment and ... read.

THE NET SHED

Another successful year!
Our best weekends were opening weekend
and the August 1st weekend.
Books that have waited for adoption for
more than four years have been purged.
2025 books are all dotted in blue.
2026 books will be dotted in yellow
And ...
we have our Christmas table
to look forward to.

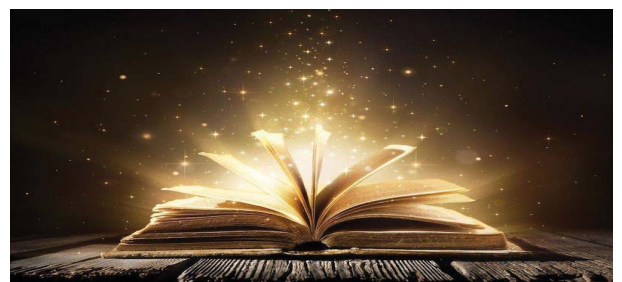

We appeal to everyone!
