

## Friends of Meaford Library Summer Concerts 2026

### Concert #10 Grey and Blue on Sunday, 30 August 2026

Grey & Blue is a British/Canadian acoustic duo featuring Meaford residents, Richard Ebbs and Anne de Haas.

They perform an eclectic mix of genres with guitar, baritone ukulele and close harmony vocals, blending favourite jazz

standards with modern covers and original material inspired by landscape, love and life.

This will be their third year playing at the Pavilion, and they love the welcoming and attentive audience there
