Volunteers are Everything!

The Net Shed

Another successful year! We have managed to exceed last year's profit by \$2000.
A big Thank You to our volunteers for helping Chris keep the doors open and the shelves updated.

How to Donate Books over the winter!

We don't want to miss out on
receiving your unwanted books
when the Net Shed is closed.

Email Chris at:

netshedcoordinator@gmail.com

and she will arrange to open the door
of the Net Shed to hold books until
we open in May.

There is a magical place where
friends meet

and doors open to other worlds.

Another fun picnic at the beautiful Richardson's cottage!
Thank You for your hospitality!
Good food, good company.

Our 2026 **Summer Concert Series** was once again a success. The 2027 season is already in the works. Watch in the Spring for the new line up.

The Municipality have a few wrinkles for us regarding the cost of using the pavilion, but our BOARD is in the process of working everything out and we anticipate a spectacular 2027 season!

Why a yearly membership fee ?

Unlike a lot of not-for-profit organizations who rely on membership fees to pay for the activities of the group, we make our income from book sales and concert donations, and we are highly successful! Your membership fees go towards partially paying for liability insurance to protect members when carrying out duties for our organization. You help us keep you covered.

We welcome everyone's ideas regarding the promotion of our "Friends Of Meaford Library" Group.

Fund raising ideas, or just fun ideas!

Put your thinking caps on and send us your thoughts.

This year we will once again place a rack card in Meaford Hall to advertise our upcoming Christmas Table at the Library.
